Additional information or special instructions (make sure to include standard options that may not be specified on this form):

NOTE: Brick mold, subcasing and interior casings are shipped uninstalled on pre-hung units. Some transom configurations have installed Sub-Casing and Brick mold. Entryways with Sidelites will be produced using a "fat boy" mull between the door and sidelites to allow for a continuous door sill to be installed.

SHIPPING INFORMATION:

- Entry will be picked up from GlassCraft assembled
- Entry will be shipped K-D (knocked down) and crated
- Entry will be shipped assembled and crated (Unit may not be completely assembled, depending upon configuration. Please inquire for more information.)
